MOUTIER

SERIES

Abundance Made Simple

Effortlessly Streamlining Your Space

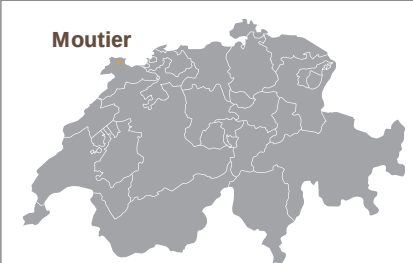

BASISTEM's commitment to high-end kitchen storage systems focuses on simplifying organization and maximizing space efficiency. Designed with user needs in mind, the Moutier kitchen pull-out basket system embodies a seamless blend of functionality and aesthetics.

With its innovative single-column hanging basket structure, Moutier redefines storage with arch-shaped baskets, exquisitely textured borders, and a unique linkage design. Each detail reflects BASISTEM's design ethos—elegance, ingenuity, and enduring charm. Soft to the touch and visually refined, the system delivers a high-end yet understated luxury, setting a new benchmark in kitchen organization.

MOUTIER SERIES

Vertical Pull-Out Pantry

Innovative Design With Linkage Basket
More Functional and Aesthetics

The MOUTIER Vertical Pull-Out Pantry series exemplifies innovative functionality and space optimization. This system is designed to maximize storage in tight spaces while maintaining an elegant, modern aesthetic.

Key Features:

- **Seamless Vertical Design:** Facilitates smooth operation and provides easy access to all layers of the pantry, enhancing functionality in narrow spaces.
- **Layered Storage:** Offers four-tier or six-tier options, allowing users to customize based on individual needs.
- **Durable and Stylish Construction:** Combines robust materials with refined aesthetics, ensuring long-lasting performance without compromising on style.
- **Anti-Slip and Washable Mats:** Provides additional security for stored items and easy cleaning.
- **Ergonomic Handles:** Designed for comfortable grip and effortless pulling, contributing to a user-friendly experience.
- **Original Wooden Storage Boxes Compatibility:** Adds a touch of sophistication and practicality by organizing items more neatly.

Whether it's compact kitchen essentials or a larger pantry setup, the MOUTIER Vertical Pull-Out Pantry adapts seamlessly to various storage requirements, making it a versatile and indispensable addition to modern homes.

Door-Mounted Pantry

Maximizing Door Storage Space with Style and Efficiency

The BASISTEM MOUTIER Door-Mounted Pantry is a perfect blend of functionality and aesthetic appeal, specifically designed to optimize the often-overlooked storage space on cabinet doors. Featuring a single-pillar design, this system ensures stability and strength while maintaining a sleek, modern appearance.

- **Elegant and Functional Design**

The innovative door-mounted structure integrates seamlessly into any kitchen style, enhancing both the visual and practical aspects of the space.

- **Enhanced Durability**

Equipped with a scratch-resistant, waterproof, and easy-to-clean surface, the pantry ensures long-lasting use.

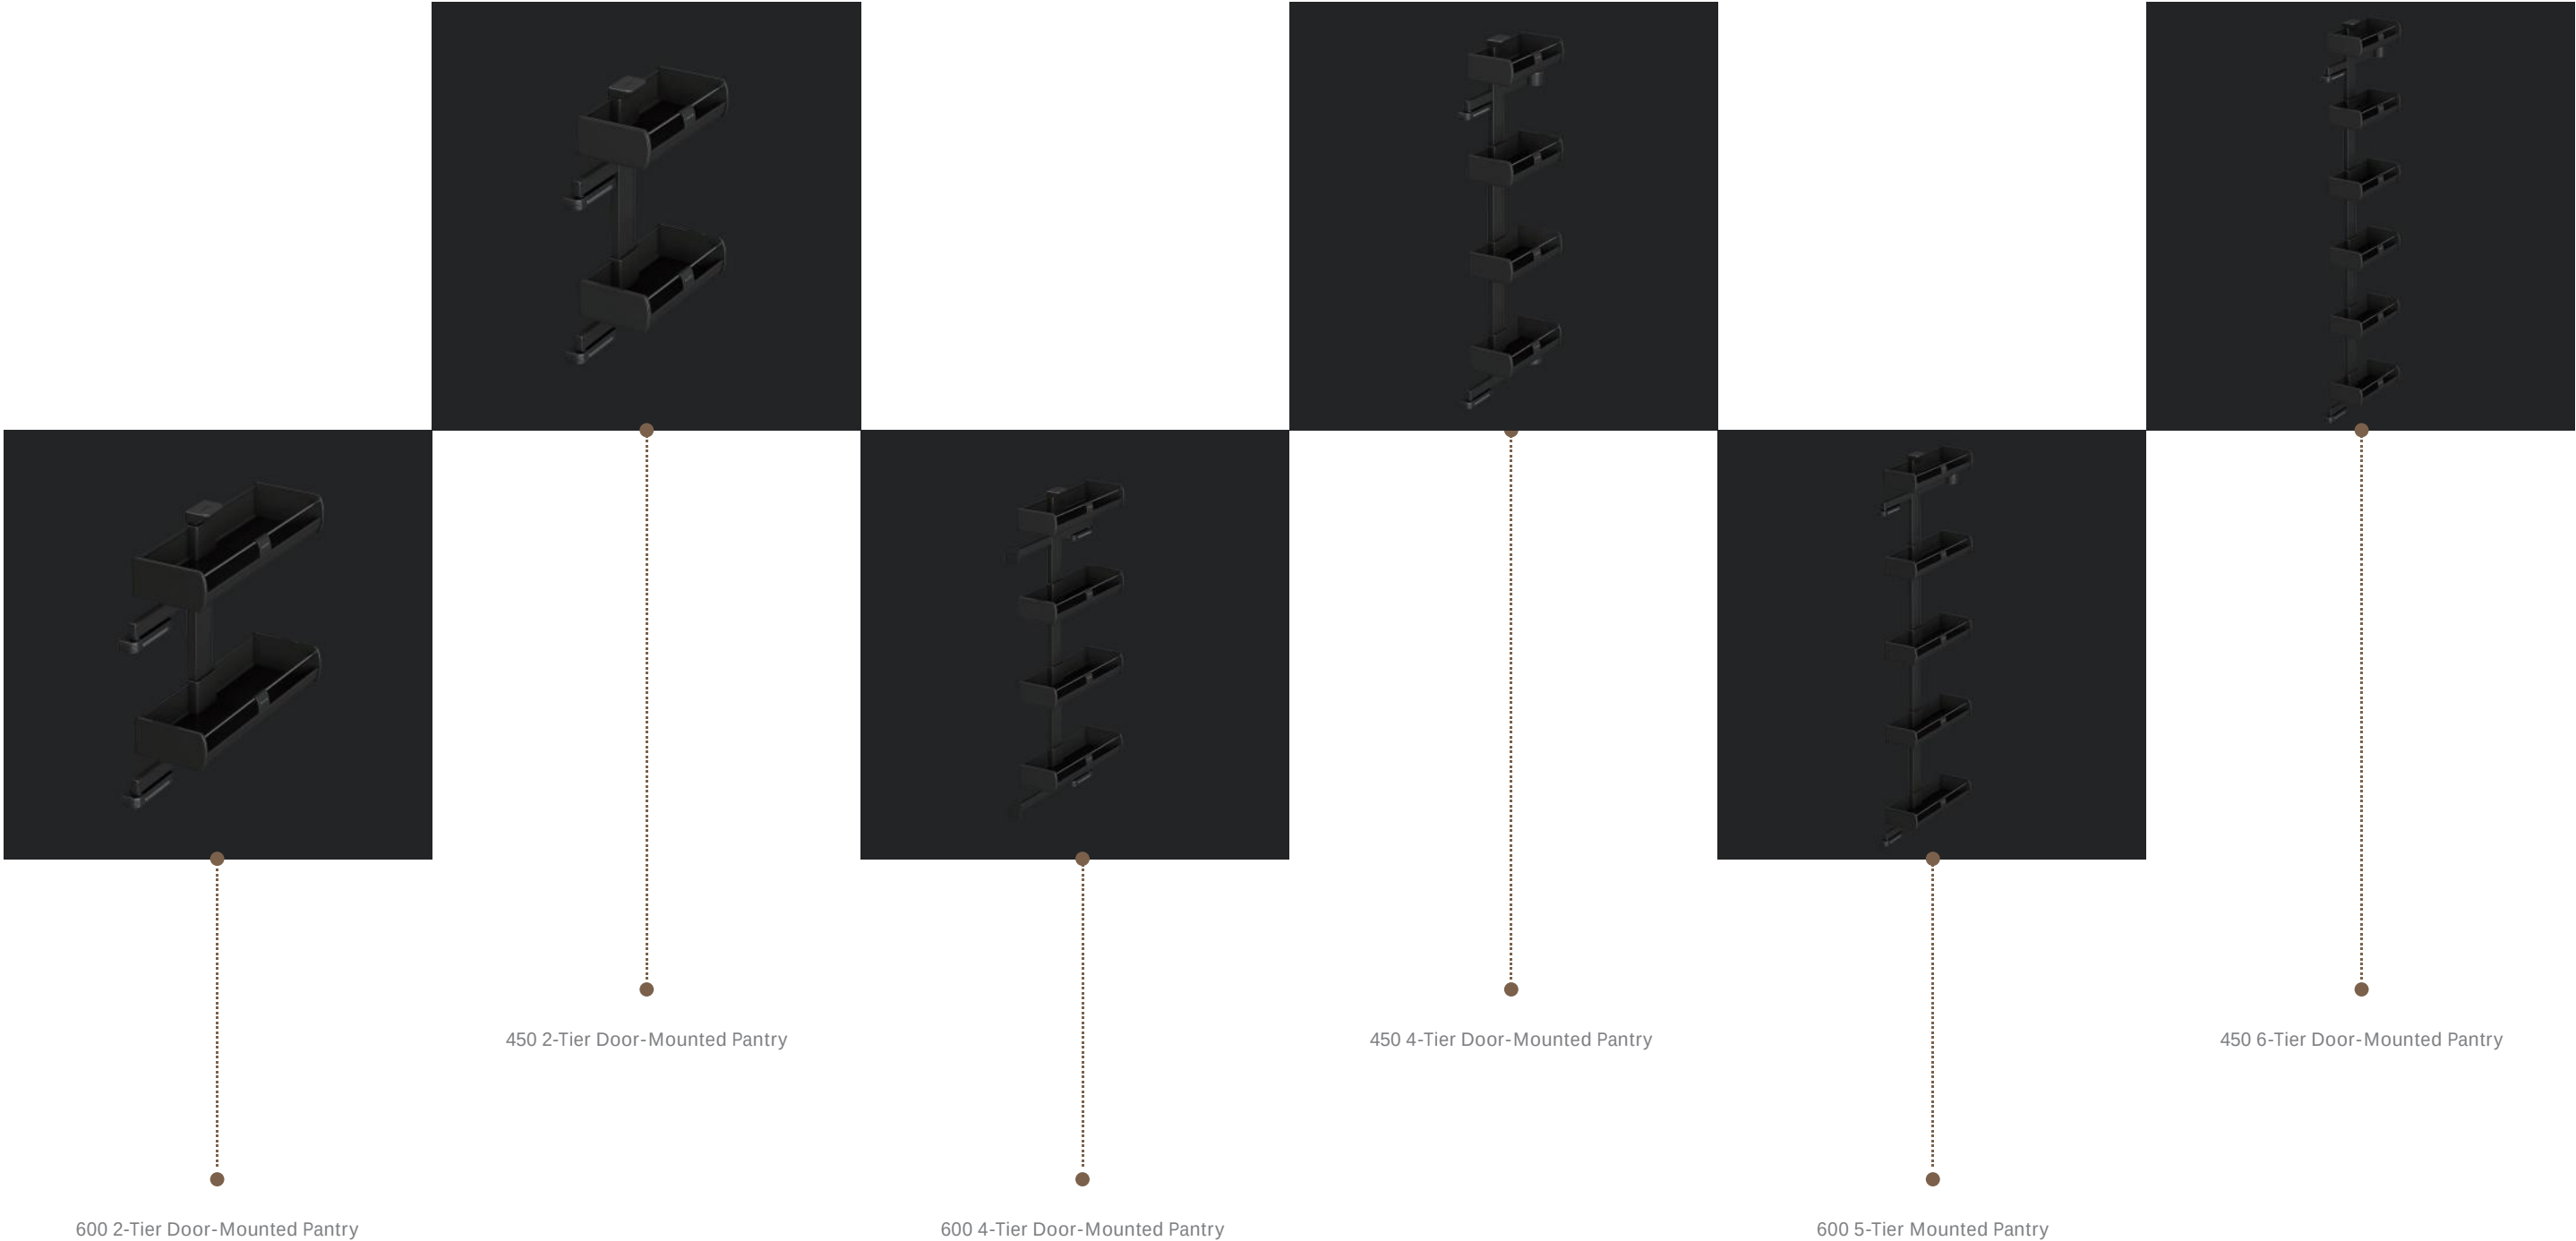

- **Customizable Storage Options**

Adjustable hanging baskets allow for flexible configurations to accommodate diverse storage needs, making it suitable for a variety of kitchen essentials, from spices and condiments to larger jars and bottles.

- **Secure and Smooth Operation**

Its robust framework provides a stable storage solution, while the seamless sliding mechanism ensures effortless access to every item.

BASISTEM continues to redefine modern kitchen storage with designs that combine innovative engineering and timeless aesthetics.
